

# JOSH GROSSE

DIRECTOR

## PROFILE

Josh presents 20+ years of diverse industry experience throughout Australia and Europe. Josh is a passionate, multi skilled, established, highly networked, and trusted professional specialising in Talent Identification and Acquisition. Josh's competitive advantage is his strong business acumen, strategic initiative, ability to develop relationships and strong leadership style. Josh is motivated by his passion for people, appetite for learning and drive to generate successful outcomes.

As a sound listener and confident communicator Josh is recognised within the industry to source and place both senior and hard to fill technical roles across an array of industries including Mining, Construction, Engineering, Aviation, Property, Finance, Energy and Oil and Gas. Josh's approach is open, honest and consultative. Josh is an avid volunteer in the community with a passion to live a full and healthy life.
